PT. Lienetic Jaya was established in early 2006 and to date our company has built its customer base and developed its markets by offering our clientele the most complete range of electrical, mechanical and instrumentation products in Indonesia. Our services encompass industries such as Food, Pharmaceutical, Biotechnology, Chemical and Petrochemical, Energy, Power Plants, Mining, Conservation, Oil & Gas, Maritime and recently the HVAC industry. The strong growth of our company is attributable to the ongoing pursuit of customer satisfaction coupled with technical support, increasing product range, exceptional service and value for money. As a result, remarkable recognition and acceptance has been credited to our company and its products in the Indonesia market place.

Our product line includes:

- Gauges and Transmitters such as Pressure Gauges, Pressure Transmitters, Temperature Gauges, Thermocouples, Thermowells, Level Gauges, Level Transmitters, Vacuum Gauges, Gauges Accessories, Chemical Seals, Instrument Manifolds, etc
- Valves and Actuators such as Control Valves, Ball Valves, Globe Valves, Gate Valves, Butterfly Valves, Check Valves, Solenoid Valves, Mud Valves, Safety Valves, Relief Valves, Foot Valves, Pinch Valves, Plug Valves, Diaphragm Valves, Pneumatic Actuators, Electric Actuators, etc
- Sensors and Switches such as Proximity Sensors, Proximity Switches, Level Switches, Flow Switches, Limit Switches, Measurement Sensors, Photoelectric Sensors, Pressure Sensors, Electronic Position Switches, etc
- Hydraulics, Pumps, Flowmeters, etc
- Various kinds of electrical, mechanical, and instrumentation components.

A team of trained and committed employees is on hand to help our customers find the right solution for their individual requirements and applications guaranteeing a fast and effective order processing and timely delivery. Any questions regarding performance, technical data for application or compatibility of any of our products or components will be met by our friendly and professional personnel by phone, fax, or email. Our qualified staff is also hands-on and effective when detailed information or in-depth technical specifications are required to clarify. As part of our quality assurance that the requirements of our clientele are fully met, we guarantee that we will see to their projects' satisfactory completion. Our commitments are to supply products of excellent quality and provide customer service with high levels of integrity and professionalism. In dealing with our company, our clients can rest assured consistently high quality products with the most competitive prices are provided at all times together with un-parallel service to give them a distinct edge in their engineering applications.

The foundation of our HVAC division has been long in the making. This is mainly because the majority of our clients and customers operate in multi-discipline industries. During our liaisons with them we soon identified the niche to venture into the HVAC industry with a focus and that is to supply quality energy efficient products to help our clients meet their project requirements and at the same time embrace and support the current green building movement in Indonesia. All these while we are also doing a favour to the environment by curbing CO₂ emissions from buildings.

Another reason of our confidence stems from the fact we have very strong HVAC technical knowledge and experience. Our Technical Director is a qualified mechanical and ESD engineer with more than 10-year experience in the HVAC industry in Australia.

We are here because of our customers. Our constant pursuit of quality and excellence means that our commitment and responsibility for product quality and customer service as well as development of new, innovative and energy efficient product lines are always our top priority. We have done all the hard work for you and are confident that we are the right partner to achieve your target. Together we will build a mutually strong business relationship full of integrity and professionalism for a long time to come. Your support will enable us to build from this modest platform and become a major HVAC supplier in Indonesia in the near future.

“With a wealth of industrial knowledge and application experience behind us, PT. Lienetic Jaya is committed to providing quality products with exceptional customer service to give you a total solution for all of your engineering requirements.”

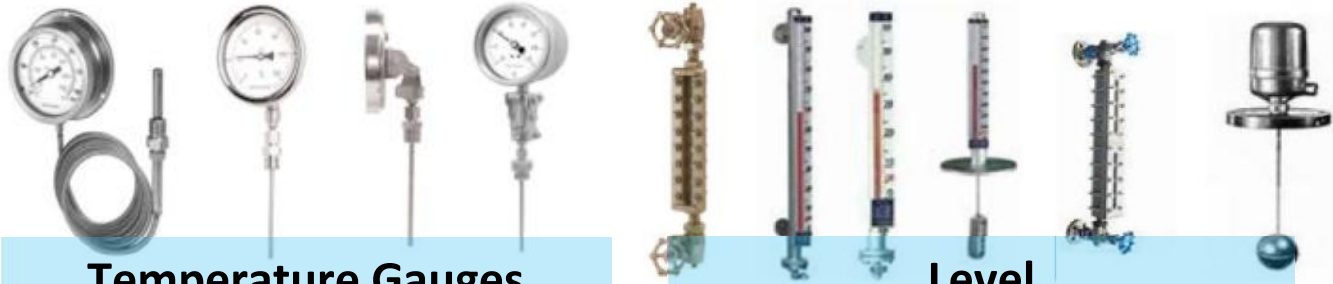

.....your first choice for all of your engineering requirements....

NIB merupakan identitas Pelaku Usaha dalam rangka pelaksanaan kegiatan berusaha dan berlaku selama menjalankan
kegiatan usaha sesuai ketentuan peraturan perundang-undangan.

NIB adalah bukti Pendaftaran Penanaman Modal/Berusaha yang sekaligus merupakan pengesahan Tanda Daftar Perusahaan,
Angka Pengenal Importir dan hak akses kepuasan.

OSS berfungsi untuk melakukan evaluasi dan/atau perubahan atas izin usaha (izin komersial/operasional) sesuai ketentuan
perundang-undangan.

OSS berfungsi memperbaiki status atas API-U atau API-F sesuai karakteristik pelaku usaha (perorangan atau
non-perorangan). Ke-stafektifan API sesuai dengan standar yang ditetapkan Kementerian Perdagangan.

NIB atau Perizinan Terbatas diberikan apabila dalam kurun waktu paling lama 1 (satu) tahun tidak menyelesaikan masalah
dan/atau serta kegiatan usahanya sesuai KBLI 2017 melalui SARH Direktorat Jenderal Administrasi Hukum Umum.
Pemeriksaan tersebut dilakukan melalui perubahan anggaran dasar perusahaan sebagaimana direktori dalam ketentuan Pasal
21 ayat (2) Undang-Undang Nomor 40 Tahun 2007 tentang Perseroan Terbatas, yang harus melalui persetujuan Menteri
(Menteri Hukum dan HAM).
